

Quality Policy

As an emerging organization in Crew Management & Marine HR, we strive to provide cost effective crewing solutions with a focus on quality. Our management philosophy is to remain lean yet accessible to our main stakeholder groups at all times. Our cumulative experience in business development, recruitment & placement of seafarers and digitalization will empower our journey.

Our advisory panel ensures that we stay abreast of innovative industry initiatives, best & ethical practices with a commitment to excellence in serving seafarers and ship owners /managers alike.

Accordingly, it is our policy to:

- ✚ Strive for excellence as we consider our ship owners /managers' goals as our own.
- ✚ Be the most accessible Marine HR solutions provider to our valued seafarers in Sri Lanka.
- ✚ Ensure best performance on board with an emphasis on safety at sea through strict briefings and continuous follow up.
- ✚ Work towards continual improvement of quality management system.
- ✚ Promote seafarer's physical and mental well-being and safety.
